

Should you take a gap year?

With Malia Obama's gap year making headlines and all the researched benefits of a gap year, it's still worth asking: Is a gap year right for you? These questions will help you find the answer.

If you're thinking about taking a gap year, it's always best to discuss it with trusted friends, family, counselors, and teachers. Many colleges have deferral policies to support students looking to take a gap year. If you'd like to speak with our admissions team, or parents & alumni, send us a line: admissions@winterline.com
