

## **Field Advisor**

Winterline Global Education is an education company based in Cambridge, MA, that delivers skills-based education. We offer a wide variety of programs and products, from our premier 9-month gap year program, to semester and summer abroad, as well as shorter experiences and curricular products on money management and financial literacy. We are a flexible and enjoyable work environment that values inclusion, diversity, and global citizenship.

### **CANDIDATE**

Field Advisors are professionals who are skilled at working with young adults and able to provide strong mentoring and guidance. Field Advisors are also seasoned international travelers who can guide the group through diverse living and learning environments while maintaining student health and safety as well as assuring the arranged travel and program logistics are executed properly.

### **RESPONSIBILITIES**

- Travel with and live alongside the students for the full duration of the program
- Mentor students, guiding their personal growth and learning
- Ensure student health and safety
- Execute on planned daily logistics and programming
- Work with the Dean of Students to set expectations and handle conflict
- Facilitate the implementation of Winterline skills curriculum
- Evaluate students and the program on an ongoing basis
- Monitor the effectiveness of partners and provide regular feedback
- Participate in staff orientation and post program debrief

### **QUALIFICATIONS**

- Age 25+ to reflect professional experience required
- Bachelor's degree in a related field (preferred)
- Minimum of three years in an educational setting with teens
- Extensive international travel experience
- Strong interpersonal skills and cross-cultural awareness
- Experience leading or facilitating groups (preferably with students age 18 – 22)
- Good physical health and ability to actively participate in all elements of the experience
- Sound mental health and ability to deal with stressful situations and unpredictability
- Ability to motivate, energize and guide students in a variety of settings and situations
- Second language in program region preferred
- Strong communication skills, including written and interpersonal
- Current certifications in Wilderness First Responder or Wilderness First Aid (WFR strongly preferred) and CPR prior to departure
- Must possess a valid passport
