

What students and parents are saying about Winterline

Student Voices

"This program is truly the opportunity of a lifetime. I only researched other programs; Winterline was my top choice. The selling point was the number of different countries I'd be traveling to and its focus on real-life skill building."

--Callie S.

"Winterline has everything that I could have ever ask for in one program. Winterline's fundamental belief in creating well-rounded and worldly citizens really resonated with me. It is just what I was looking for."

--Oliver S.

"I came on Winterline simply to have fun, but really I gained a clearer image of who I am and what I love to do."

--Benji M.

"That's what I love most about Winterline. Every day is extraordinary. Every day I'm doing something I've never done before. And that's how I hope to live the rest of my life."

--Molly S.

Parent Voices

"I am blown away again and again by the Winterline program. Good, good, good, good job to all of you for the design and execution of this program."

--Parent

"When we decided to support our son in attending this program, we never imagined how good this would be for him. The whole experience helped him to grow as an individual making him more confident and independent. This is now making a difference for him in college. This was one of the smartest investments we have done for him."
