

## Winterline Global Skills Program Sample Itinerary 2020

We at Winterline Global Education remain committed to providing opportunities for young adults to learn real-world skills that will help them be successful in college, life, and career.

We believe these skills, and the confidence and resilience they drive, are now more important than ever. During these times, we promise you flexibility and transparency. We know many families are still making decisions about Fall 2020. In order to better support your current needs, we have extended our application deadline to September 1st. Based on the current travel restrictions and our safety benchmarks, we have made the following adjustments to our Fall 2020 Global Skills Program.

**Program Start:** November 4th, 2020 in Los Angeles, California

**Program End:** April 24th, 2021 in Vienna, Austria

### Trimester 1

**Countries:** United States, Costa Rica

**Skill Highlights:** Orientation, Improv, Acting, Kayaking, Marine Biology, Free Diving, Trekking, Wilderness First Aid Certification, Business Bootcamp, Design Thinking, Wellness, Goal Setting, Scuba certification, Natural Building, Sustainability, Permaculture

### Trimester 2
